

Reimbursement rules for the 1st WG Meeting

The agenda of the 1st WG Meeting predicts 20 short presentations

- The WG Leaders are entitled to reimbursement. It is expected that they contribute to the WG Meeting with presentations introducing the audience to the research areas and main objectives of the WG. In case a WG Leader cannot attend the Meeting he/she is obligated to delegate a Substitute from the WG Members.
- Each WG Leader indicates three other WG members who shall deliver presentations on the WG research topics. Those WG Members are entitled to reimbursement.
- Other WG Members are welcome to participate in the WG Meeting , **but reimbursement is not guaranteed** – it depends on the available budget. The decision who from the Participants not giving a presentation gets reimbursement is left to the WG Leaders.
